## Mansfield Climb Set For Tuesday

On October 12, Columbus Day, St. Michael's Outing Club sponsors its annual hike up Mt. Mansfield where some of the country's most breathtaking views are to be found, particularly at this time of year. Each fall thousands of people from all parts of the nation make this trip.

Last year's jaunt was most eventful. Fr. Sullivan's coffee failed to boil. Results: coffee good only for cuts and bruises. Charlie Duffy was lost on top of the mountain, at least everyone thought so, but Charlie had returned earlier to his wife and baby. Fr. Maloney made the summit in 50 minutes; a record! Fr. Hebert was the last to conquer Mansfield.

Amongst faculty members going are Mr. Hannigan, Outing Club Moderator, and the Fathers Hebert, Maloney, Lanoue, Sullivan, and Stapleton. The Purple Knights' noted cyclist Mr. Vinci is supposed to pedal his bike up the toll road from the Stowe side and meet the hikers at the top.

The schedule of the day for those going on the Mt. Mansfield hike is as follows: Mass

## THIN CROWDS AT NFCCS TALKS

### Trip To Europe Planned by Group

by GARY ALBERT

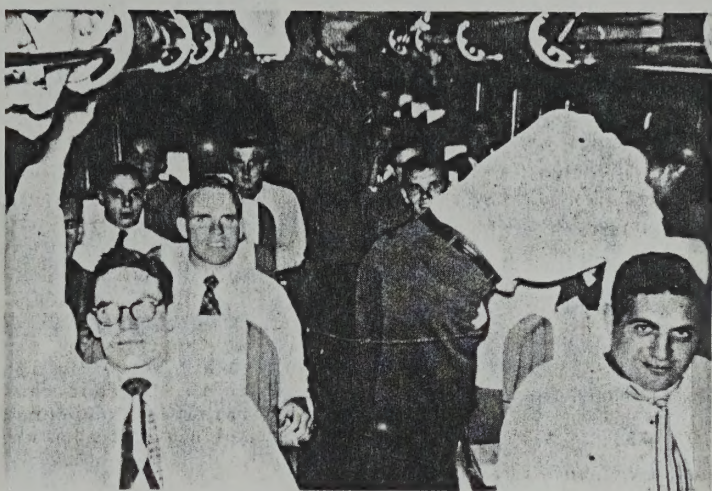

The basic functions of the Overseas Service Program (OSP) of the NFCCS were brought to light by fund raising chairman Patrick Cotter of Canisius College who spoke in Austin Hall Sunday evening.

The program as Mr. Cotter explained it, has three main divisions. The first is relief, in the form of food, clothing and rest center facilities for foreign Catholic college students. Under the same heading comes educational reconstruction which covers books, Catholic periodicals, mimeograph machines, and finally scholarships for those who are unable to meet expenses. Mr. Cotter expressed the great necessity for Catholic periodicals to combat the flow of Communist literature which outnumbered it at a ratio of 8-1.

The second division of the program will allow 72 D.P. students to attend 31 Catholic colleges throughout the country

### Off Ta' Hofstra

## Knights Tops Statistics But Can't Top Hofstra

by RAY DOHERTY

For the second successive week the Purple Knights of St. Michael's garnered the better of the statistics, but still failed to break into the win column as they battled the Flying Dutchmen of Hofstra, N.Y., to a 0-0 tie.

### Jim Fitzsimmons Namd As Soph. VP

In a two day election which had the class officers biting their nails, Jim Fitzsimmons finally won out over four other contenders, this week, to become vice-president of the sophomore class.

Because of the vacancy left when Warren Hockenos left school to study for the priesthood, the class scheduled an election for last Monday to choose the new class

## Coming Events

WEEK OF OCT. 9

Mon.  
6:30 Mixed Chorale (C.5)  
7:45 N.F.C.C.S. (A.H.)  
Tues.  
4:00 Debating (Aq. 202)  
Country Style Dance (Sponsored by Sophomores)  
Wed. Holiday  
Outing Club Hike to Mt. Mansfield  
7:45 Dramatics (A.H.)  
Thurs.  
6:30 Sodality (Chapel)  
7:45 Glee Club (A.H.)  
7:45 Biology Club (S.107)  
Fri.  
6:30 Choir (Chapel)  
7:45 S.M. Band (A.H.)  
7:45 Spanish Club (C.28)

## Sophs Plan Barn Dance For Next Tuesday Night

How informal can you get? When the class of '52 goes to work, obviously, you can get quite informal.

St. Michael's students, this coming week will have an opportunity to put away the starched shirts and neatly pressed suits which they customarily wear to class. Instead they will have to don the casual wear appropriate for the combination barn dance and hay ride which the sophomore class is putting on Tuesday night.

Austin Hall will have a definite rustic tinge for the evening and cider and donuts are listed as the evening re-

freshments (for free!) but the music will be conventional dance music as manufactured by the "Ravens," a six piece orchestra.

The schedule for the evening calls for dancing from 8:30 to midnight with an optional hay ride from 6:30 to dance time.

Tickets for the dance are a dollar. Those going on the hay ride will have to fork over an extra fifty cents.

Tickets can be obtained from any of the class officers as well as from the representatives in every hall.

Wednesday, Oct. 12, is a holiday.

## Fr. Hamel Tells Of Conditions Abroad

by BILL LIBERATOR

The Monday evening Forums of the NFCCS were launched for the new semester this week by the Rev. Edmund J. Hamel who spoke on his trip to Europe this summer.

His account of his journey, sprinkled with a few humorous anecdotes of tourist difficulties, plus some pertinent observations on Europe's present Economic and Spiritual dilemma proved of great interest to attending Michaelmen.

Along with the Superior General of the order, whom he accompanied, Father Hamel sailed from Canada early in July. Their first major stop was London where they were met by Fr. Corbett of the S.S.E.'s Parish House there. Securing passage to Pontigny, France the Fathers visited the Order's Mother House, where the body of St. Edmund of Canterbury, patron of the society, is miraculously preserved. From Pontigny they travelled to Mont St. Michel, a magnificent structure, parts of which were built in Charlemagne's time.

The final stop before shuttling over to Austria was the Shrine of St. Theresa at Lisieux. On their return journey through France, however, the two priests visited Ars, Pray-le-Monial, Nevers, Versailles and Lourdes. Speaking of France, Fr. Hamel praised the church architecture as a monument to her people's faith down the centuries. Yet he cited the dangerous rise of secularism in the country.

### BEHIND THE IRON CURTAIN

Austria, with its proximity to the Iron Curtain was different. There was an air of tension in Vienna. Some tension was experienced by the party, too, as they passed through the Soviet Security lines.

Father Hamel praised the caliber of our Occupation Forces in the city, especially General Keyes, commander of United States Occupation Forces, whom he describes as an exemplary Catholic. Their host in Vienna was Major Van Holme, S.S.E., U.S. Army chaplain and former professor at St. Michael's.

From Vienna the itinerary continued through South Germany where Father Purtill and Father Hamel had dinner at the Berchtesgaden, Hitler's mountain lair.

### ROME

Finally the group reached the object of the trip ... Rome! "Simply magnificent," was the speaker's description of the six-day stay in the Eternal City. "It makes one proud of his religion," he continued. After visiting St. Peter's, St. Paul's, St. John Lateran and the Vatican Museum, Father Hamel said Mass in the Catacombs.

### PAPAL BLESSING

The high point of the trip was a Special Papal audience granted to the two local Edmundites and Rev. M. J. Triguero, S.S.E., at the Castel

Continued on page 4

## Frosh Will Reveal Shaft Later In Football Season

By BILL ACTON

In the interest of creating new tradition here at St. Michael's "the purple shaft" was presented to a representative of the Freshman Class, Joe Powers of Springfield, Mass.

The history making presentation was made at a talent night, held during freshman week by Robert "Michael, holder of the purple shaft" Lilly, who, it will be remembered first produced the pointed instrument in last year's May 14th parade of horrors.

## Debating Society Plans For Year

At its second meeting last Monday night the Newman Debating Society completed its organization for the year.

Committees were chosen to handle the club's activities. The debate topic for the year was also announced.

In special elections, Raymond O'Keefe was chosen as the club representative to the Student Council, and a publicity committee and a planning committee were also chosen.

Raymond Deforge was elected chairman of the publicity committee and William Hindle and Joseph Crowley were named to the committee.

Larry LaFountain was elected chairman of the planning committee and Raymond Antil and Donald Powers were named with him.

The debate topic for the coming year is: Resolved: "That the United States should Nationalize basic non Agricultural Industries."

A debate on this topic will be held at the next meeting on Tuesday, October 11, at four o'clock in Room 202 in Aquinas Hall. The debaters will be Robert Gelinas and Andrew Scanlon upholding the affirmative and John Chachere and John Higgins who will uphold the negative side.

Along with the presentation, the following stipulations concerning the "shaft" were handed down for posterity.

1: The shaft must be shown by the frosh in any way, shape or manner at one of the home football games of each year at which time the upperclassmen will attempt to recover it.

2: This is the only necessary public showing of the shaft for the year. However, any of the four classes may make other attempts to capture it during the year providing they discover the hiding place.

3: During the parade of horrors this year at the senior week-end the class having possession of the shaft will present it to the president of the SAC after which their class numerals will be inscribed on a plaque.

4: Should the freshmen fail to keep possession of the shaft for the year apenalty, yet to be announced, will be imposed on next year's incoming freshmen.

The freshmen will not display the shaft until some home game later this season at which time it will be announced beforehand.

Student council meetings are now being held to discuss the new tradition. Any modifications which may be made will be reported in the MICHAELMAN.

### A Chance To Help

Just after the end of the last war the country was faced with the problem of juvenile delinquency which, according to all reports, had increased during the war years. Most of us were in service and the problem either didn't confront or interest us. The rest of the country, however, was forced to act.

The Boys' Clubs of America were the result of their labors. In Burlington, in 1942, a club was organized for the 'pavement boy,' the boy who lives and learns in the city streets because there is no place else for him to go. It was exactly what was needed, for figures show a drop in juvenile crime since the founding of the club.

The Boys' Club is located on Cherry St., in a building rented from the Salvation Army. The Army has been asking the club to move because of crowded conditions, and because it needs the extra room. In the interest of the club, a group of public spirited citizens gathered together to discuss the situation. When they had finished plans had been made to conduct a drive for funds to erect a new building. The drive began in June of this year, and a goal of \$140,000 was set. \$65,000 has been received so far.

The site for the new building, located for its easy accessibility to the majority of the Burlington boys, is a plot 132 by 196 feet bounded by Luck, St. Mary, St. Louis and Oak Streets. Building has already begun.

What's all this got to do with St. Michael's and you?

Let's look at the facts. The present location of the club is a D-U-M-P. The club has been asked to move. \$75,000 is still needed. We realize that it is impossible for the college to donate anything because of its other debts.

With the help of the students, however, we believe that it would be possible for the Student Council to sponsor a talent show in the Burlington Auditorium with the proceeds going to the Boys' Club. We have the talent. The Freshman skit nights of past years and this year show it.

This is the only way to keep the youth off the streets. If grass can't grow on a city street why expect character to grow there? Let's see if, for once, we can do something decent .....

### Notice

October is a special month for opportunities.

For as little as fifteen minutes a day we may gain indulgences and receive favors asked of Our Mother.

Before the 13th century, popular piety was already familiar with what was called the psalter of the laity, that is, the angelical salutation repeated 150 times. It was the distribution of these Hail Marys into decades, each devoted to the consideration of a particular mystery, that constituted the rosary.

The rosary was made known to the world by a man, St. Dominic, and down to the present, men have been faithful users of this means to grace. It is a popular practice of piety. And Catholic men carry, without shame, the rosary to use it at every opportunity. Knute Rockne was clutching a rosary in his hands when they found him after the fatal plane crash.

If you have been making use of this devotion, let October serve to renew your fervor to devotion.

If you haven't been a regular user of the rosary, why not let October, the month of the Most Holy Rosary, be your starting point to becoming a more devoted servant of the Mother of God.

## HILL WIND

by Charlie Guill

Question: "Who Will Take The World Series?"

PAUL HEINIG CLINTON, MASS.  
 The Yankees should take it because they have longer ball hitters on the club. The Dodgers are fast and tricky so it ought to make for a good fast series.

JACK DALY FLORAL PARK, L.I.  
 Brooklyn should take the series because taking everything into consideration they have a better all-around ball club. It will be a close one!

SAL ROMANO BRONX, N.Y.  
 It's a sure thing for the Yanks but an upset might be possible because of the Dodgers aggressiveness!

JACK DOBBYN BRIGHTON, MASS.  
 Yankees will take it in 6 games. They have the ball players - Brooklyn has the Jokers!

LARRY (CRASH) NUCCIO EAST ELMHURST, L.I.  
 As an ardent Dodger fan, I think that they have an excellent chance of taking the series due to the fact that they can always be depended upon in a clinch (but then who knows).

TOM JANELLE CHICOPEE, MASS.  
 I really don't care now that the Red Sox are out of the question!

LOU LENOU NORTH ADAMS, MASS.  
 -"The Best team will win!"-

BOB CANAVAN FLORAL PARK, L.I.  
 "The Yanks - Class tells"

DON WALSH CAPE COD, MASS.  
 My heart is with the Dodgers but I think the Yanks have it!

FRANK BECHER DOUGLASTOWN, L.I.  
 Dodgers of course - because if they don't, my mother will be miserable for months.

BILL TIERNEY KINGSTON, N.Y.  
 The Yanks of course because - I'm a Yank fan!

MR. WILLIAM WILDE BURKE NEW YORK CITY N.Y.

The Brooklyn Dodgers, because they have the potency to win and I am sure they will reduce it to act!

FRANK BIONDI NEW BRITAIN, CONN.

Even though I'm a Yankee fan I think the Dodgers will win because the Yanks have a poor pitching staff.

TEX CONWAY HOLYOKE, MASS.

My personal prediction will be that the Dodgers will take the series in 4 straight games. However, after the use of a little reason, the Yanks should take it in 6 games.

## Campus Static

Attention Bill P. - Unreliable sources have it that "If You Like It I'll Give You a Whole One" Hannigan is telling jokes in the huddles. Do the Reverse Course, Tom. Boston's own Dan Tarpey cleaning up on the Yankees. You vile child! The (in)famous Vulgar Boatmen of yesteryear have run aground and trouble is brew(ing). "Wheels" Arcidiacono making like a playboy with his new wagon. Close your eyes before you bleed to death, Louie. Jack Dobbyn, the Splendid Splinter of St. Leo's, is working on a cyclotron he's making from old gum wrappers and used toothpicks.

Have you seen the late permission requests that Fr. Tining's Terrors have printed up? Tom Flynn sinking 15 cents a day into phone calls to Trinity. What means this?? ... "All I Want For Christmas Is My Two Front Teeth" is Jim McCarrin's theme song. He lost two in football practice. Of course this doesn't daunt Jim. He'll be back in his old position soon. (Bottom of the pile-up.)

(Ed. Note -- The following is written by a Frosh - God help him!) Anyone desiring a U.V.M. woman get in contact with "Fixer" Hurley. But, we warn you U.V.M. lassies are expensive.... Bob Fritz enjoying the scenery in Battery Park at 10:30 p.m., Saturday, September 24th. ... Mike Carr still receiving that daily letter from ... sigh !!! ... Vin Hughes blackballed at Trinity for breaking a date. Uncouth youth !!! ... Tom Harnett still has the longest nose in St. James Hall. Whata proboscis! ... What's this about Paul Stapleton getting 5 bucks from Mike Flynn's mother for taking care of Mike. ... Logic seems to be the only subject the Sophs are worried about. (Boy, are they in for a surprise!) ... Who was the scholar sleeping on a bench in front of the Science building at 7 a.m., last Monday morning waiting for classes to start? ...

Intra-mural sports opened this past week. Fr. Larkin has been very active in trying to make them a hit. ... Fr. Poirier's floor is still the quietest on the campus. ... Rumors have it that Donnie LeBlanc, the gay freshman writer, had his first date Saturday night. Her name was Nancy. ... A certain little Miss gets phone calls from Jack Duggan. Lucky girl!!! ...

## If You Want It, They Got It

According to an article appearing elsewhere in this edition of the MICHAELMAN, Father Maloney this year will have two new assistants in his library.

From the looks of it they'll have their hands full.

A MICHAELMAN reporter, in a very random survey of the library this week unearthed some intriguing titles.

Included among these were: "The Complete Book of Progressive Knitting."

"Maura Laverty's Cookbook." "Rules for Lawn Tennis, 1930 edition."

"The Gardener's Almanac." "The Practical Book of Tapestries."

"The Art of Ancestor Hunting."

"How to Economize on Laundry."

"How to Economize Flour and Breakfast Foods."

"How to Make a Will."

"Primer of Figure Skating and Advanced Figure Skating."

By Bernie

Smyles-

## HARVEST MOON HOP....

October 11

Tony Cauley

In the course of an article we ran last year, Dave Egan was hauled over the coals for a number of statements he made that seemed preposterous at the time. Now as we look back on the season past, we can see that the old 'Kernel' isn't half as full of warm ozone as we once thought.

First of all, his story about the Braves being a very dissatisfied and rebellious ball-club contained a great deal of fact. At the time it appeared in print, there were no outward signs that could have given an indication of what finally happened at the Wigwam. But there it is: before the season was three-quarters gone, fist fighting had broken out among the players and Billy Southworth was back in Ohio talking to himself about the Braves of next year. We would like to relate that Egan's continual harping on the Red Sox in the World Series also panned out, but such is not the case. Neither he nor Joe McCarthy can play their ball-games for them; that's left up to Williams and Co., who couldn't beat an average high school team in a money game. So now we think that Dave Egan is a little bit of alright, for the simple reason that he stuck to the Sox, win or lose, until the last shot was fired.

## ANOTHER DISAPPOINTMENT

To get back to the Hill, the Knights had another disappointing day at Hofstra last week. They scored once, only to have the play called back because of an offside penalty. That was the only time they hit pay-dirt, due to the bruising play of the enemy line. Our boys also played excellent defensive ball, hurling back no less than four Hofstra touchdown attempts in the first quarter. Jack Daly and Jack Heggarty were again the backfield standouts, with the latter giving a fine demonstration of punting. The boys will be back on friendly soil this week against Lowell Tech, and the student body will be there rooting for them to get back into last year's winning ways.

With the Knights away last week, we took in the Vermont game, and it must be admitted that the Cats seem to improve with each tussle. The same thing happened last year.

The thing we were going to mention however, is that win, lose or draw, Vermont always puts on a good show by virtue of their snappy looking band. We think it's about time something was done here at St. Michael's about such a band. We certainly have the student body for it now, and we understand that Father Hamel is taking steps to see just what we have in the line of musicians. Good work Father, and we hope you know that everyone on the Hill is for the idea of a band, one-hundred percent.

## GETTING READY FOR NORWICH

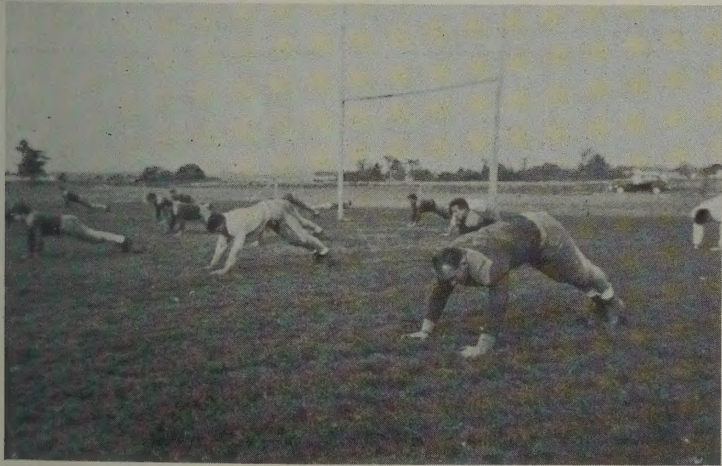

Photo by Charlie Guill

Frosh football candidates sweat it out daily under the watchful eye of Barry Branon.

## Looking Them Over

With Laughlin

## Frosh Look Good, Introducing Face 4 Game Slate

by DAN TARPEY

Whether in numbers or in talent the St. Michael's Frosh football squad seems to be well equipped for its five game schedule which opens against the Norwich Mountaineers Thursday afternoon at Norwich. Last year the yearlings from St. Michael's trounced the Mountaineers to the tune of 39-0.

During the course of Freshman week, Coach Barry Branon greeted over a hundred aspirants, many of whom were high school captains and All Scholastics in their home towns. To top it off, all were eager and determined for starting berths on the frosh eleven.

However, Coach Branon was confronted with the problem of replacing such stalwarts on last year's jet-propelled team as "Pistol" Pete Plourde, Frank Simas Ray Cormier, Al Hanoosh, George Maloney, and Guido Forte; all of whom are now vital cogs in the varsity machine.

A feature of the practice sessions has been the fine kicking of Frank Connors and Ken Casperian. Both of these boys will be able to keep the opposition in its territory with their long coffin corner kicks.

At the time that this column went to press Coach Branon stated that the competition was so keen among the players that he could only name seven possible starters for the opening game at Norwich.

## SEVEN STARTERS NAMED

Up in front the Squires will have Big John "Cap" Cappuchio and Ed Carrier at the guard positions. At the tackle positions it looks as if Dick Johnson and Paul Balcom will get the nod against the Mountaineers, and at the pivot position will be "rugged" Paul Aumand.

The fullback slot will be held down by "Frenchy" Dumont, a representative of the all Catholic team from Manchester, N. H., where he starred for Cathedral High. The final one to be given a starting assignment is Don LaBossiere, a product of Malden Catholic High.

JACK HEGGARTY

by ERALD MEDLAR

If you attended the U.V.M. - St. Mike's game two weeks ago you probably saw a certain gold uniform "24" cross the goal line in the first period. The possessor of this uniform and the owner of the sole touchdown against Vermont was Jack Heggarty. Jack, a Sophomore, is a product of Lawrence, Mass. Weighing in around 165 pounds and standing 5' 11" he participated in football, basketball, and baseball at Central Catholic High in his home town.

Hitting the line from the left halfback position, this Lawrence resident is playing his first year for the Purple and Gold varsity.

During the school year Jack resides at 341 Upper East Allen Street, Winooski. He is majoring in Business.

Freshman squad: John Amarel, Paul Aumand, Paul Balcom, Neal Begen, Mike Carr, Ed Carrier, Ken Casperson, Frank Connors, Leo Conway, John "Cap" Cappuchio, Ted Coll, Dick Cunningham, Bill Doyle, "Frenchy" Dumont, Phil "Big John" Galligan, Greg Groggin, Bob Hurley, Jim Hurley, Dick Johnson, Don LaBossiere, Sam Lopiano, Dick McCarthy, Don McGillicuddy, John Meisel, Walt Rogers, Joe Shay, Ernest Woodworth, Dick Stokes, "Pop" Nadolny, Bill Scannell.

## Injured Knights Face Lowell Team

by WHIT BARTLETT

With a loss and a tie to show for the first two games of the season, the Purple Knights will be out to rack up their first victory of the year this afternoon when they square off against the Lowell Textile eleven at Centennial Field.

The Textilers will also be looking for their first victory of the campaign having dropped their opener to Worcester Tech 19-12 last Saturday.

Last year the Knights racked up a 12-0 victory over the Lowell eleven. This year the Textile team has been strengthened by the addition of several ex-high school stars. They will also be playing under a new coach, Dave Morey, ex-Middlebury line coach, so they probably won't be a soft touch for the Mikemen.

The Knights may be without the services of their hard running fullback Pete Plourde for this one. Plourde was injured in the Hofstra game last week and may not be ready. The status of Clem Ferris and Ed Krupinsky are doubtful also because of injuries received last week.

Father Mayo

New Librarian Has Traveled Widely

by GASSNER

The Rev. Earl L. Mayo, the new assistant librarian, is expecting to become wealthy if adages can be relied upon. He claims that those persons whose initials spell a word will, sooner or later, be blessed (or otherwise) with a large sum of money.

This is not the only interesting thing about Father Mayo. He was born in East Barre, Vermont, taught at Swanton for three years and studied library science at McGill University.

WITH PATTON

He was in the army, attached to Patton's fourth armored division in both France and Germany. From Germany he brings back memories of an interview at Konnerethuth with Teresa Neumann, the woman bearing the Stigmata. While in France he visited Domremy, the birthplace of St. Joan of Arc, and also spoke to the sister of St. Theresa, the Little Flower.

He speaks French and while in Germany acquired a conversational knowledge of German.

Father Mayo is rather short and with the exception of a tuft of grey hair on top could almost be said to be tonsured.

He wears hornrimmed glasses, has a comfortable smile and a knack of putting his hands on the exact book he is looking for.

Jack Cronin Edits This Year's Shield

The editor of the St. Michael's College yearbook, THE SHIELD, this year is John F. Cronin, Beverly, Mass., a dean's list student who has found time to play varsity basketball and work his way through college.

A waiter in the college dining hall, Cronin has played both golf and basketball at St. Michael's, in addition to belonging to the Sodality, the Writers' Club, the Michaelman, the Lance, the Pen and Mike Club and the NFCCS. He has also written radio scripts

Radio Program Run By Two Students

A pair of Dons from St. Michael's College begin spinning platters Saturday for the benefit of Joe and Jane College.

Don Gibbons and Don Hayward, both juniors who have considerable radio work in the Burlington area, decided that the six colleges served by WJOY ought to have their own musical program. The result is College Carrousel - (accent on the first syllable, please) - which starts Saturday, Oct. 8, at 1 via WJOY.

Their own records, special requests and news from UVM, Middlebury, Norwich, St. Michael's, Trinity and Champlain will make up the half hour program.

Gibbons, who hails from Torrington, Conn., has been heard in WCAX Radio Workshop presentations and has also written several scripts.

Hayward, who lives in West Hartford, Conn., has also taken the Radio Workshop course at St. Michael's. Both are veterans of the last war and both had radio experience in the service.

All the colleges have been asked to submit news items which will be handled by Gibbons, a journalism student.

Elected Trustee

Very Rev. James J. Fitzgerald, S.S.E., Randolph, Vt., has been elected a trustee of St. Michael's, it was announced last week by Very Rev. Daniel P. Lyons, S.S.E., president.

Father Fitzgerald, superior of St. Mary's Seminary at Randolph, and director of the famed St. Anne's Shrine at Isle La Motte, succeeds the Rev. William Jeanmarie, S.S.E., of Swanton, who died in June.

A graduate of St. Michael's College in 1931, Father Fitzgerald was ordained in 1935 and served the college as teacher and dean of men. After doing graduate work at the Medieval Institute of Theology at the University of Montreal, he was made superior at Randolph in 1945.

The following year, he was appointed first assistant to the superior general of the order, the Very Rev. Jeremiah T. Purtill, S.S.E., a post he still holds.

Mansfield Trip

Draft Registration Here For 18 Year Old Students

College and university students who become 18 years of age after the school term starts neednot return to their homes to register under the Selective Service Law, Vermont State Director Colonel Fred S. Kent said last week, but may register at the local board most convenient to them, as may others when they reach the age of 18.

When the registrant has a permanent home, the permanent home address should be given to registration officials. For this

purpose "home" is the place with which the registrant normally identifies himself and at which he would wish to be classified.

The law is also specific in its requirements concerning obligation of a registrant to keep his local board informed as to any change in his address--where he may be reached by mail, that is -- or change in his status under the Act.

Colonel Kent emphasized that the requirements to register and legal obligations of registrants were in no way altered because there have been no inductions within the past few months.

Trip To Europe

Continued from page 1  
with such expenses as tuition, board, clothing, books, health coverage, etc., guaranteed by those institutions.

It is significant to note that St. Michael's was the first college in N.E. to offer a scholarship to a D.P. student.

SEE EUROPE FOR \$465

The third and final method consists of Summer trips to Europe for college students, at prices ranging from \$460.00 - \$565.00 for the complete trip. One of the primary objects behind this move is to acquaint American students with Europeans since the best method of influencing students is with students. These trips including study in Europe range from 42 to 80 days.

Mr. Cotter firmly impressed on the minds of those present, that the O.S.P. program is something "that must be done," since it can be instrumental in bringing many into the Church.

He concluded by again expressing this year's motto: "Peace through Christ, by restoring the youth of the world through Christ."

Fr. Hamel

Continued from page 1  
Gandolfo, the Papal summer home. "It was a moment never to be forgotten," said Father Hamel as he described the saintly appearance and fatherly manner of the Pontiff. Father Purtill told His Holiness of the Society's work, and received for the Order, its friends and its students the Papal Blessing. In ending, Father Hamel's only regret was that six weeks was so short a time for the trip.

Father Hamel spoke of the Marshall Plan as definitely showing results. "Perhaps its best result," he said, "is the check of Communism in France and Italy.

The shortage of food in England is one of his painful memories of the trip. He said he returned from Europe more convinced than ever that the key to social reconstruction is not rugged individualism nor Communism, but the plan laid down by the Popes in their social encyclicals.

vice-president.  
At the end of voting on Monday, however, Fitzsimmons and Dick Callaghan were tied. Since only 109 class members had voted Sophomore President Jim McKown had the polls opened for another day with the result that Fitzsimmons finally won out after the second day

Besides Fitzsimmons and Callaghan, other candidates were: Alphonse Castellana, Dick Gleason, and Howard Lancour.
